

**DAVIE
JOHN**

HEAD OF INTERNATIONAL BUSINESS DEVELOPMENT

Vector Management Limited

CHAIRMAN

UKTI PPP Export Advisory Group

Education:

John has a BSc and an MBA. He has Fellowships of the Royal Society of Arts, the Chartered Management Institute, and the Royal Society of Health, and memberships of several professional organisations. He spent his early life in Scotland and was educated at The Glasgow Academy.

Professional Experience:

John Davie is a member of the UKTI Financial Services Sector Advisory Board. He is chairman of the UKTI PPP Export Advisory Group, a past Chairman of British Expertise and a founder member of IFSL's Islamic Finance in Business working group.

John works in the private sector where he leads the international business team at Vector, one of the UK's premier international management consultancies providing professional services principally in the infrastructure and real estate sectors. His responsibilities include Vector's overseas businesses and government relations both at home and overseas. He manages PPP and due diligence commissions acting for banks and investors in privatisations and other infrastructure developments.

John has been advising on privatisations and PPPs for many years and has given many presentations on that subject since establishing the Project Finance working group at British Expertise in 2000.

He has held senior positions in financial services, development companies and management companies.
